To Whom It May Concern,

As a result of the above-mentioned event, _____ will arrive late at school. The **ISO Band**, of which the student is a member, is performing this school assembly concert as part of ISO's outreach program. These performances last approximately 50 minutes and the musicians are **expected** to head directly to their respective schools immediately after the performance.

Please let me know if you foresee any problem with this arrangement, I can be reached at (212) 410-0370.
